I find them through the mail, I send them to Green, and he checks and says that
they are suitable. I then write to him to let him supervise them and then send them
to the projects that are necessary. in the end, even those who were interviewed and
came to us are sitting and no one writes to them. I don't know which one of them is
in jaya because they communicate with grin in jaya. as a result, they freeze up and
no one informs me anything. i feel like i'm working in vain. somehow this point
